Hereford Transport Package (HTP)
Walking, cycling, bus and public space improvements consultation

This consultation runs for six weeks from **Tuesday 29 January to Monday 11 March 2019.**

What is the consultation about?

We have developed a range of improvements to make it easier for people to walk and/or cycle along the most popular travel routes in Hereford. These improvements will be possible to deliver with the construction of a future bypass that could reduce pressure on Hereford's busy transport network.

We would like to hear your opinions on these proposals and learn more about what would encourage and enable you to walk, cycle or use the bus more often.

Why are the improvements needed?

The walking, cycling, bus and public space improvements are designed to work together with the bypass to make Hereford a better place to live, work, study and visit.

By improving our transport network, we aim to encourage people to choose to walk, cycle or travel by bus more often and reduce dependency on the car for shorter journeys.

How do I get involved?

Come along to one of our public exhibition events to view more details of our proposals, meet the project team and ask questions.

- Left Bank on **Tuesday 29 - Thursday 31 January 2019, 11am-8pm**. The main exhibition will be held on these dates.
- Old Market kiosk on **Monday 4 - Thursday 7 February 2019, 10am-6pm.**

The proposals will also be available to view (display only un-staffed) at Hereford Library on Tuesday 12 February - Saturday 9 March 2019, during library opening hours.

How can I give my views?

The consultation runs until **Monday 11 March 2019** and is open to everyone.
